- A** Hi everyone :)
My name is Claire. I want to tell you something about one of my favorite days of the year. The day is Black Friday. It is the day after Thanksgiving. So it is the fourth Friday in November every year. The tradition of Black Friday began in the year 1951. In the United States Black Friday marks the start of the Christmas shopping season.
- B** It all starts the day before. All of us, my parents, my brothers and of course our dog Lucky, travel to my grandparents' in New York City. It is a special weekend for us. We always stay there from Thursday to Sunday. Thanksgiving is all about cooking, eating and watching the parade. But on Black Friday everything is about SHOPPING :) and SALES :) :)! You can get up to 80 % off. It is a shopping dream.
- C** Every year, my dad and I are both really excited. The days before, we search online for the best offers. And then we make a plan where to go first and so on ... It is a whole day of shopping just for my dad and me.
- D** On Black Friday my dad and I start very early. Together with hundreds of other people, we wait in front of some stores to get the best offers. I really do not like standing in lines. But it is always a great adventure. My mum and my older brother always stay at my grandparents' place. They do their shopping online. When my dad and I come back to my grandparents' house, we can show the family what we have bought. But some things we keep secret. Christmas is coming :)! In the evening we all have dinner together. We usually eat the leftovers from Thanksgiving.
- E** Try to go shopping in stores on Black Friday. It is an adventure! And it is so much fun to see how some people behave. I guarantee you will come back with some stories to tell your friends and family.
Shopping is a lot of fun. But for me the most important thing is to spend time with my dad and the rest of my family.
